Mkomazi National Park is a hidden gem! The spectacular landscape of Mkomazi is home to all the Big Five as well as a range of species rarely seen elsewhere in Northern Tanzania, wild dogs, lesser kudu, gerenuk and oryx among them. Birders will find paradise, with around 400 species recorded, including five endemic ones. The most fascinating experience in Mkomazi NP is undoubtedly a visit to the Rhino Sanctuary, where these impressive animals can be spotted at close range.

MKOMAZI VIEW CAMP

Our cozy intimate camp, with currently 6 furnished ensuite tents is situated in the north-western part of the park near the new Mbula Rhino Sanctuary and Dindira Dam. Surrounded by the rolling hills of the Pare Mountains, it is located on a slope with stunning views of the Watershed Valley, popular with eland, impalas, zebras, giraffe and Bohor reedbuck.

We look forward to hosting you under a beautiful African sky!
